## Accessing Your Annual Giving Statements

- 1. Go to: https://donor.idonate.com/login
- 2. If you have already created an account before, under the field for an email address you will see "Have an account? Login". Click on the Login link and log in to your iDonate account.

If you have NOT accessed your iDonate account before, enter the email address **you used when you donated to GSM Global** and it will send you information on how to get your access to your iDonate account.

3. Once you log in, you will see a screen that looks similar to this (only with your personal details in each box):

Recurring Donations	View all>	Recent Transactions		View all
Organization Name	Amount / Designation	Donation Date Amount	Organization Name	Designation
Payment Methods	View all)			

On the "Recent Transactions" section, click on the "View all" link to see all of your donations in iDonate.

4. When it gets to your recent transactions screen, you will see a screen similar to this (only with your personal details):

ack Transaction History Here's a history of all your donation transactions.
